

## Graduate / Assistant Ecologists

NLG Ecology are seeking a Graduate and/or Assistant Ecologist to join our friendly and ambitious ecology team. We are a highly regarded and successful ecological consultancy built on the provision of pragmatic and robust ecological advice to our stable client base.

## Roles

The successful candidate(s) will enjoy and assist with a variety of site and office work which will include Preliminary Ecological Appraisals, Phase 1 Habitat and NVC Survey, Protected Species Surveys and Mitigation, Habitat Creation, Ecological Clerk of Works, GIS and a variety of other ecological consultancy work.

## Requirements

- Qualified to degree level or higher in a relevant field of Ecology, Natural Sciences or a related subject.
- Membership of CIEEM (or be eligible for).
- Ideally consultancy experience.
- Good understanding of wildlife legislation and the planning system.
- Strong botanical field skills.
- Knowledge and ideally experience of protected species surveys.
- Experience in using GIS (Map Info)
- Excellent written, oral and interpersonal communication skills.
- Experience of undertaking or managing Ecological Clerk of Works (ECOW) roles.
- Full UK driving licence.
- Ability to think strategically and work with minimal supervision

## What's in it for you?

- Competitive salary;
- Flexible working and time off in lieu;
- Combination of home, office and field work;
- 28 days annual leave plus birthday day off;
- Opportunities for career development and training;
- Training budget;
- Employee benefit package, including pension and life insurance;
- Conservation volunteering days;
- Use of serviced vehicles and issued with company mobile phone.

If this is the role for you, please apply by emailing your CV and a covering letter to: [info@nlgecology.com](mailto:info@nlgecology.com)
